Il mattino ha l'oro in bocca

In autunno una foglia  
 non ne volle sapere  
 di staccarsi dal ramo  
 per poi poter cadere  
 e chiese a Pan: ~~come~~ io posso  
 rimanere qui attaccata  
 pur se la galaverna  
 ormai è già armata?

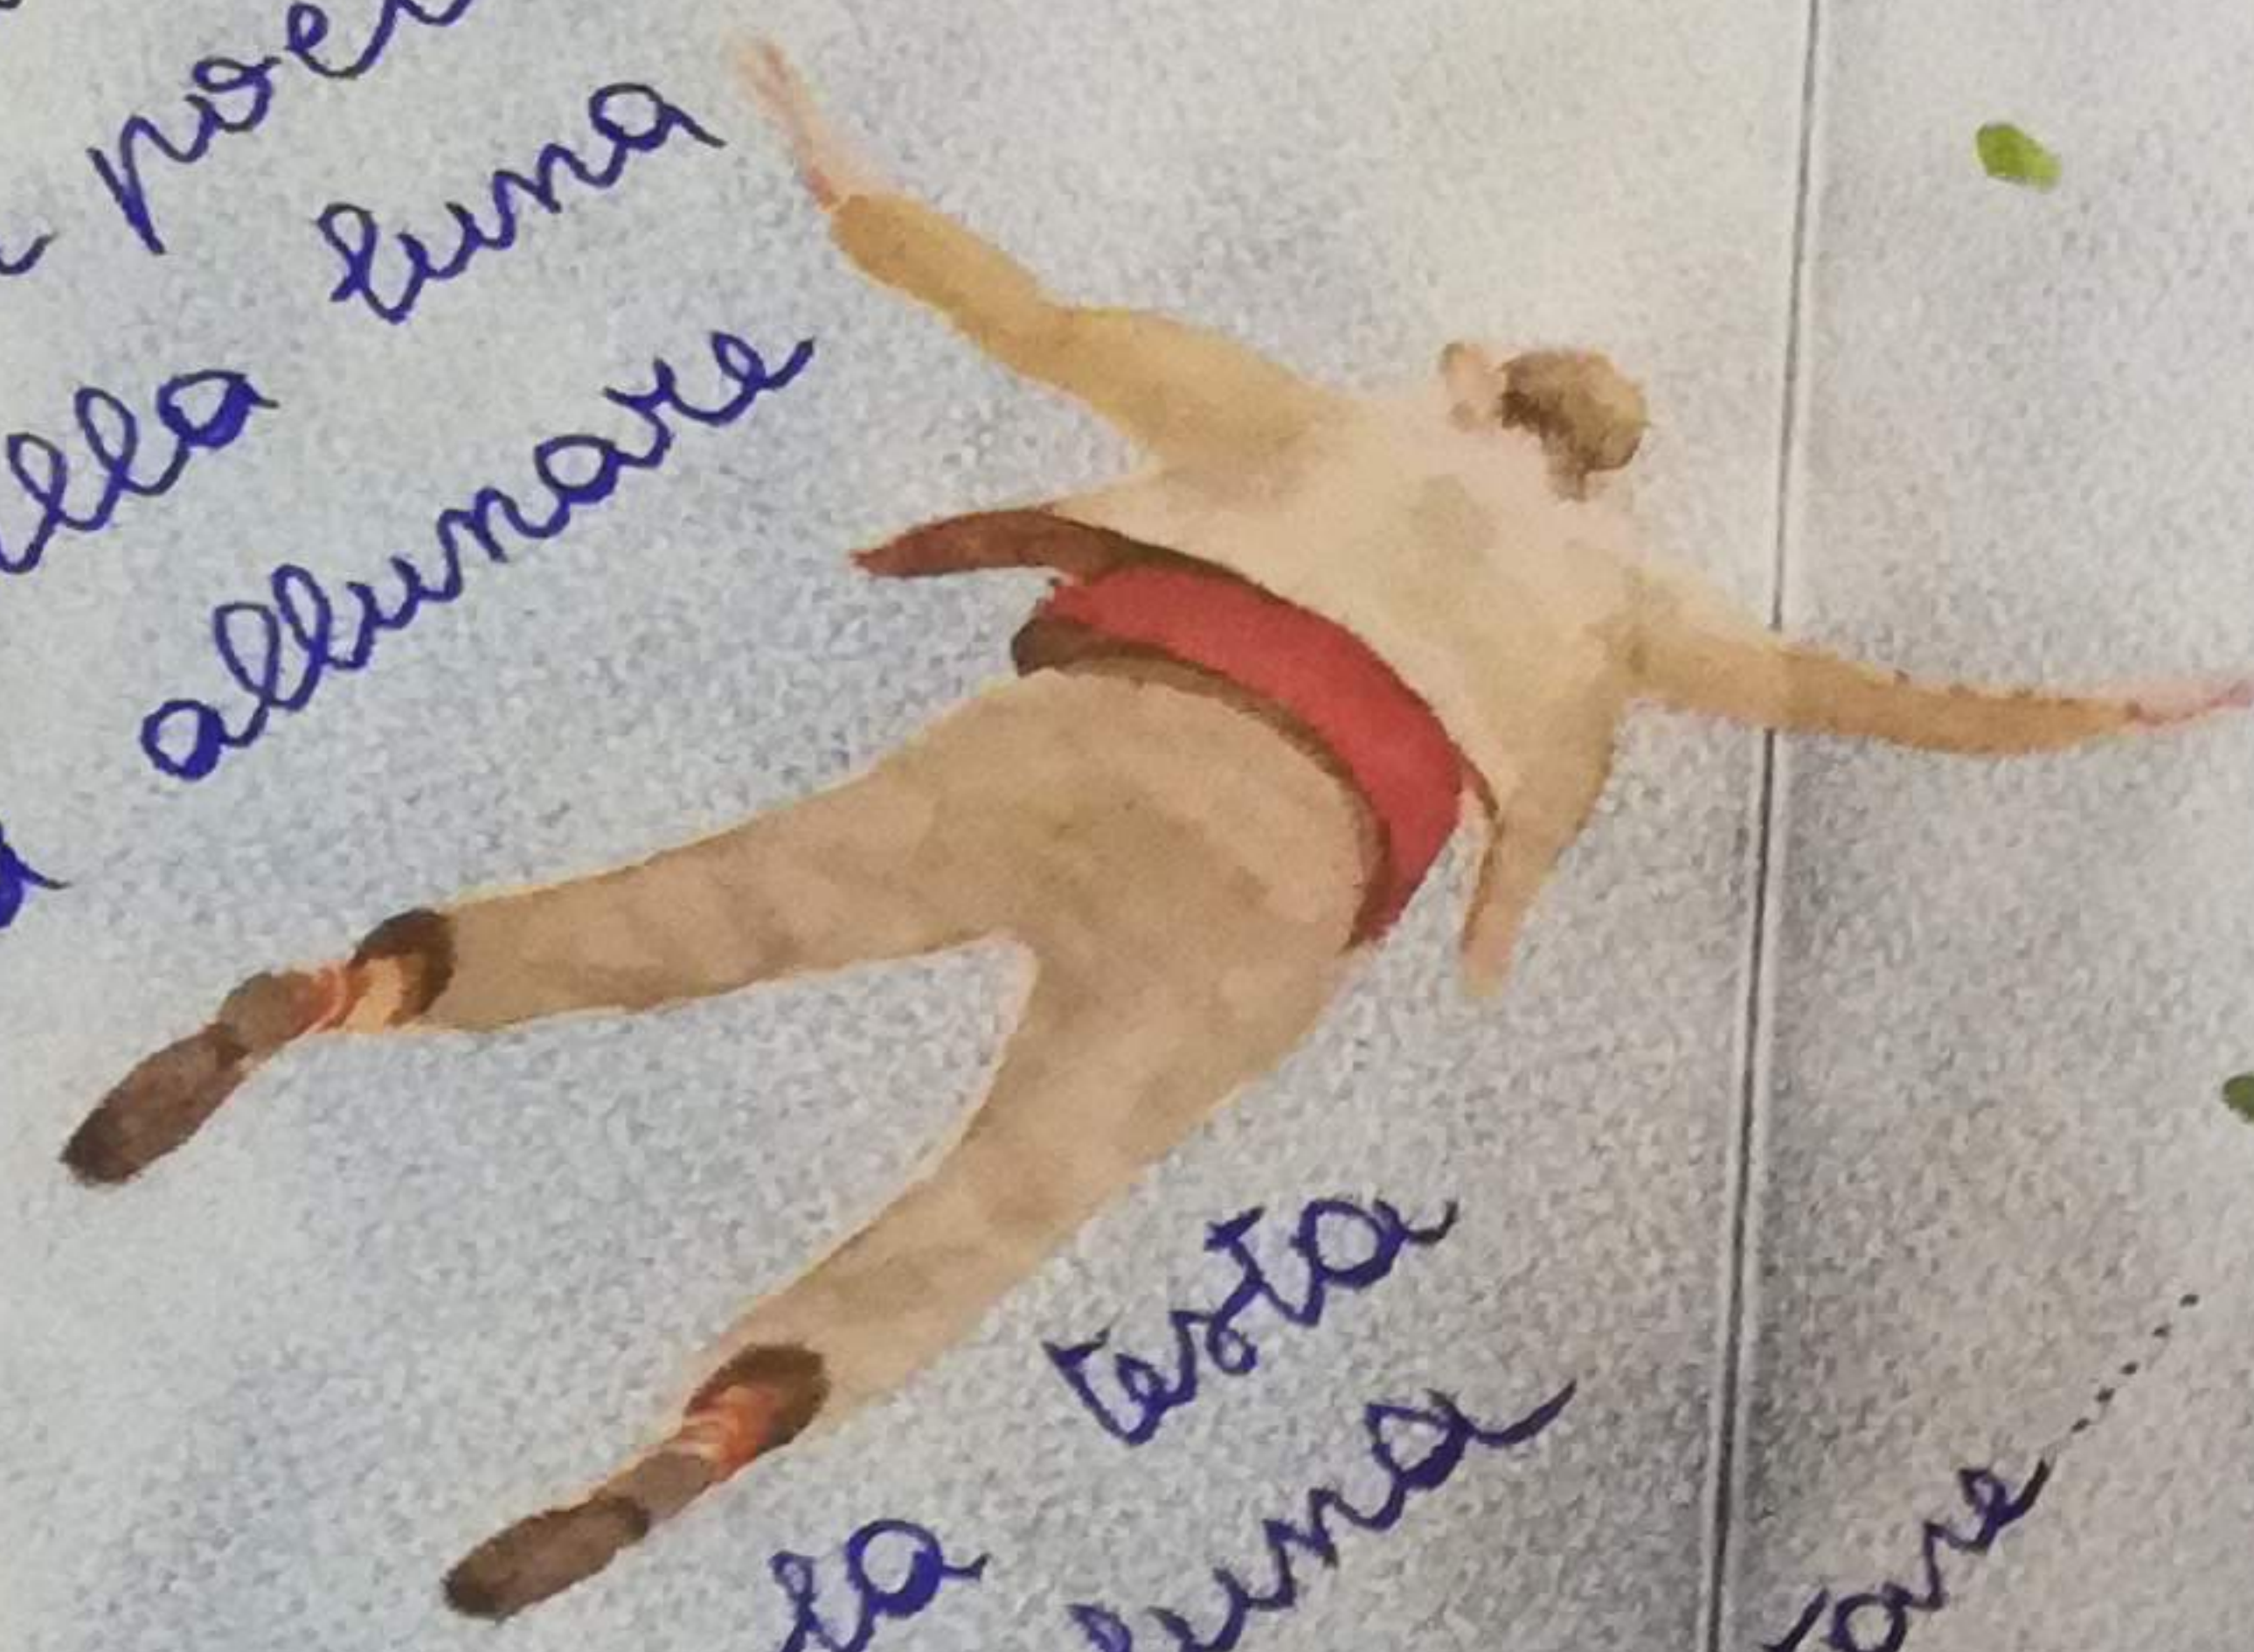

Pan le sorrise e disse:  
 di cadere non c'è fretta!  
 e la Fisso al suo ramo  
 mediante una mollette.

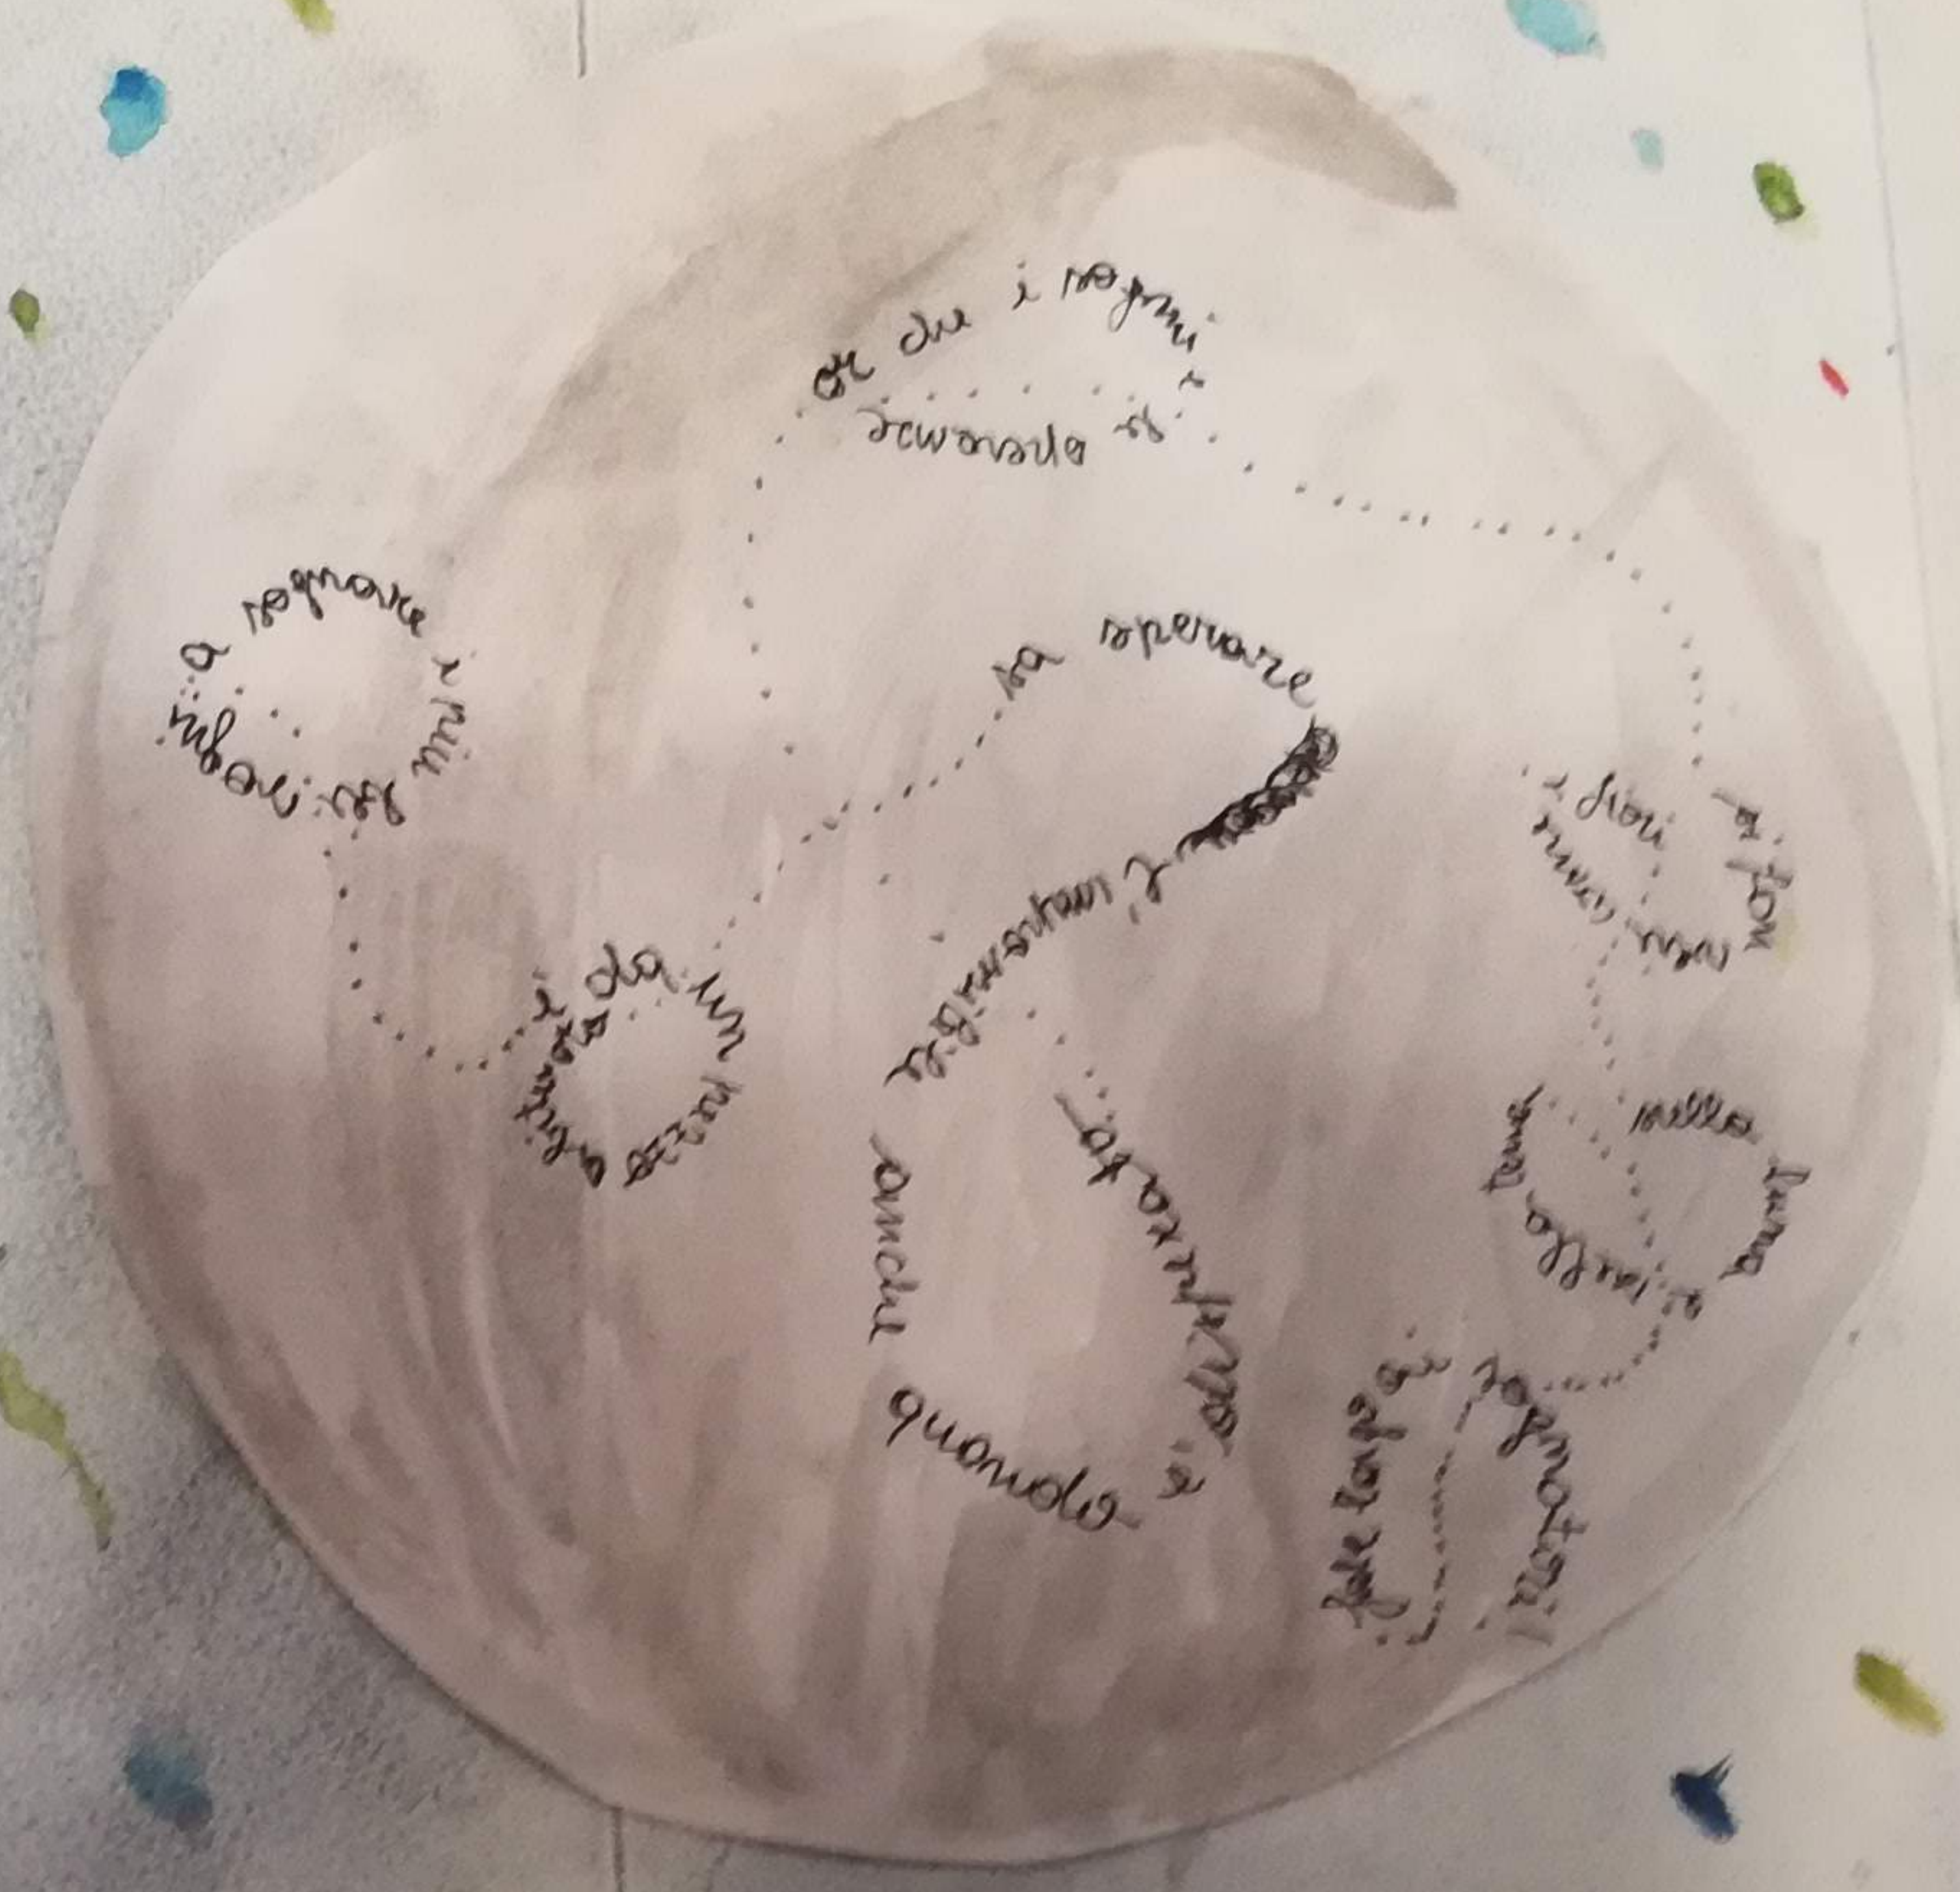

Figlia di Urano (il cielo) e di Gea (la terra), costruisce  
 le identità personali e collettive e collaborando  
 con ogni relazione fra sé e altro da sé, consente all'emazione  
 di evolversi in sentimento, all'innamoramento  
 di divenire amore.
